From : VALIAN INDUSTRIAL CO., LTD
To : Ghim Li Global Pte Ltd
Date : 4 Sep 2018
Subjec: Conflict Minerals Letter Declaration

To Whom It May Concern :

Under Section 1502 of the Dodd Frank Wall Reform and Consumer Protection Conflict of Minerals are defined as cassiterite(tin), wolframite (tungsten), columbite-tantalite/coltan (tantalum), and gold (3tg) .

VALIAN INDUSTRIAL CO., LTD has established a Conflict Minerals Policy ; Meet CA green chemical standard and conducted a reasonable country of origin inquiry to all our suppliers concerned.

Based on this inquiry , VALIAN INDUSTRIAL CO., LTD has no reason to believe that its Conflict Minerals which are necessary to the functionality or production of its products may have originated from the Democratic Republic of Congo or an adjoining country , or it reasonably believes that the Conflict Minerals contained in its products did come from recycled or scrap sources.

Minerals	Company Products Supplied To Industry	Smelter / Refinery Name & Address	Smelter / Refinery Contact Details
Tin	Zipper/Garment	CHINA TIN/广西柳州 桂中大道9号华锡大厦	0772-2613965
GOLD	Not applicable	Not applicable	Not applicable

Our metal products are of copper / nickel plated base and does not contain tin minerals.

but during plating , we use sodium stannate as a medium.

Unless otherwise amended by VALIAN INDUSTRIAL CO., LTD, this commitment is valid one year following the date of this letter.
